Professional Summary

Front-End Angular Developer with 5 years of prior professional experience and recent hands-on experience building modern Angular (v14+) applications. Skilled in developing high-performance SPAs using Angular, TypeScript, RxJS, and modern UI frameworks. Strong focus on clean architecture, performance optimization, and secure, responsive user interfaces.

Technical Skills

- **Core Technologies:** Angular (v14+), HTML5, CSS3, JavaScript, TypeScript
- **UI & Styling:** Angular Material, Tailwind, PrimeNG, and Bootstrap
- **State Management & APIs:** RxJS, NgRx, REST APIs, GraphQL, Angular HTTP Client
- **Authentication & Security:** JWT, Auth0, Angular Router, Auth Guards
- **Testing:** Jasmine, Karma
- **Tools:** Git, GitHub, VS Code, Angular Dev Tools, Chrome DevTools
- **Agile & Tools:** Scrum, JIRA, Figma
- **Databases:** MySQL, MongoDB (basic)

Career Break & Skill Re-entry (2015–2023)

- focused on upskilling in modern frontend technologies including Angular, TypeScript, and responsive UI design.
- Built personal projects, completed certifications, and engaged in academic/volunteer work.

Professional Experience

Front-End Angular Developer | Independent Projects (Georgia, USA | Feb 2024 – Present)

- Designed and delivered responsive SPAs using TypeScript, Angular Material, Tailwind, PrimeNG, and Bootstrap.
- Integrated REST APIs, managed dynamic data with RxJS, implemented JWT-based authentication and route guards.
- Built reusable components and optimized app load time by 30% with lazy loading and preloading strategies.
- Wrote unit tests using Jasmine and Karma, and managed source code using Git and GitHub in an Agile environment.

Software Engineer - Liquid Hub India Pvt. Ltd. (Mumbai, India | Oct 2013 – Dec 2014)

- Developed and deployed custom user interfaces using AngularJS / early Angular, HTML, SCSS, and TypeScript.
- Integrated front-end UI with backend microservices using RESTful APIs, and Implemented responsive designs using SCSS, Bootstrap, Flexbox, and media queries.

Software Engineer - Classic Informatics Pvt. Ltd. (Delhi, India | May 2011– August 2013)

- Developed and maintained 4+ production-ready mobile applications, collaborating with cross-functional teams to deliver stable, high-quality features and reduced bug reports by 20%.

Software Developer - 4C Plus Internet Co. Ltd. (Delhi, India | March 2010– August 2011)

- Developed responsive web interfaces for 2+ client projects, ensuring cross-browser compatibility and reducing post-deployment issues by 15%.

Projects

Inventory Management Application [Live Project](#)

Tech Stack: Angular (v17+), NgRx, RxJS, JavaScript, TypeScript, Tailwind, PrimeNG

- Developed app with a modern, responsive UI using Tailwind CSS and PrimeNG.
- Implemented role-based access control with separate dashboards for Admin, Manager, and Customer roles.
- Managed global app state efficiently using NgRx and RxJS, ensuring predictable data flow.
- Optimized load time by 25% using lazy-loaded modules and Implemented product search by category, pagination.

Movie Explorer Application [Live Project](#)

Tech Stack: Angular (v17+), RxJS, JavaScript, TypeScript, BootStrap, Auth0

- Developed a responsive single-page application (SPA) using Angular with modular, component-based architecture.
- Implemented features to display movie details, user reviews, and recommendations with expandable review panels.
- Implemented search functionality and designed a fully responsive user interface.
- Integrated Auth0 authentication with secure login, logout, and route guards.
- Integrated YouTube trailer playback using iframe embedding to showcase movie previews directly within the application.

Education

- **Master of Computer Application (MCA):** Gautam Buddha Technical University
- **Bachelor of Computer Application (BSc):** Chaudhary Charan Singh University

Certifications

- **Angular:** Saho Soft Technologies Pvt. Ltd.
- **Cloud Computing Fundamentals:** IBM SkillsBuild
- **TypeScript:** Saho Soft Technologies Pvt. Ltd.

Awards & Volunteer Experience

- **Dedication and Appreciation Award:** Lanier Technical College
- **Appreciation Award – Performer of the Month:** Classic Informatics Private Limited

Management Officer – Conversation Club - Lanier Technical College | 2023 – Present

Organize and lead conversation sessions to enhance communication and leadership skills.
